TUSA®

NEW PRODUCT

ZEN AIR - IQ-950

The IQ-950 Zen Air is TUSA's most advanced and full-featured wrist-top computer

Built on the stylish design and platform of the IQ-900 Zen, the Zen Air is even further enhanced by adding hoseless air-integration, several advanced user-adjustable settings and the ability to program up to 3 transmitters and 3 gas mixes from 21%-100%.

The IQ-950 is the ultimate dive instrument offering a set of robust features that can be adjusted for personal preference.

Brushed

Black Chrome/Polished
